

DAVID APPEL

Is available to speak at your office, industry meeting, association, regional carrier conference, or insurer reward/qualification trip. Let motivational speaker, author and insurance industry expert advisor David Appel, help your team place more People Insurance™ life, health, disability and long term care insurance. David will share his prospecting methods and remind you why People Insurance™ is vital to any financial plan, and why we all get up every day to do what we do for a living.

David Appel can lift up your sales team and bring them to where they have not been before.
